PART C

**RULES GOVERNING
AFFILIATED SHOWS
GYMKHANAS
TRAIL RIDES**

RULES AND REGULATIONS GOVERNING SHOWS,
GYMKHANAS AND TRAIL RIDES AFFILIATED WITH THE
NEW HAMPSHIRE HORSE AND TRAIL ASSOCIATION, INC.

1. **GOVERNING RULES:** All affiliated shows shall be operated in accordance with the rules of the New England Horsemen's Council or appropriate breed association, unless the rule has been definitely set forth in this book. At any show affiliated with the New England Horsemen's Council (NEHC) or appropriate breed association, the rules of that organization shall prevail over these Regulations. No event that is not affiliated with the NEHC or NHH&TA shall state in its prize list or information sheet that the event is being run under the rules of any of these organizations or make any other statement that could be interpreted to falsely indicate affiliation with these organizations, or with any other state or regional organization.

2. **AFFILIATION PROCEDURE AND FEES:** Application for affiliation of shows and gymkhanas shall be filed with the Show Affiliation Secretary on a form supplied by the NHH&TA at least 45 days prior to the date of event: Trail Rides to count toward participation awards must be affiliated by the date of the NHH&TA annual meeting. To count for mileage awards, rides must be affiliated at least 60 days prior to the date of the ride. Affiliation fees for one-day show \$25.00; two-day show \$35.00; three-day show \$50.00; gymkhanas \$10.00 payable with application. Trail ride affiliation fee to be set at \$35.00 per ride, with no assessment fees due.

All affiliated events must be sponsored by a NH riding club, fair association or any other organization approved by the NHHTA Rules Committee. All affiliated shows and gymkhanas shall pay to NHH&TA, within seven days of the completion of an event, an assessment fee of \$3.00 for each entrant in the event. Assessment fees for trail rides are waived. Any event which has failed to pay fees and assessments to NHH&TA and/or premiums to the exhibitors within 60 days will not be affiliated the following year. New management and/or new location will not relieve the show and/or organization of this responsibility.

All affiliated events must hold a liability insurance policy in the amount of \$1,000,000.00. Proof of insurance in the form of a Certificate of Insurance naming NHH&TA and its officers and the specific event committee as additional insureds, must be forwarded to the Horse Show Prize List Secretary or the Trail Ride Secretary 14 days prior to the event date.

Two complete prize lists shall be filed with the application, or in any event shall be filed with the Prize List Secretary 45 days prior to the date of the show or gymkhana, for classification approval before printing and distribution. Violation of this rule will invoke the penalty of being charged double affiliation fee.

Both the prize list and programs of shows shall state under which class the show is being operated and shall indicate the same as follows: "Class A (B or C) New Hampshire Horse and Trail Association Show". Gymkhana class lists and trail ride notices must indicate affiliation with NHH&TA.

Only class titles will be required to be printed on the prize lists for all shows and gymkhanas. Local or special classes must have specifications written

out, i.e.. any class that does not have specifications clearly written out in a breed handbook will be classified as a special class. Any class not recognized by the NHH&TA must be so indicated on the prize list and catalogue by "Non point."

Prize lists must designate the specific classes that are to qualify for Stake or Championship classes, referring to them by their numbers on the prize list. Qualifying classes must be selected from the respective divisions as listed in the Rules for Judging.

The Mailing List will be furnished to the show, gymkhana or trail ride secretary by the Show Affiliation Secretary of the NHH&TA after the tentative prize list or application for trail ride is filed and affiliation fee paid. In order for a member's name to be included on the mailing list his dues must be paid by the annual meeting. If dues are paid after the annual meeting, a member may compete for points but his name will not be added to the mailing list. The membership list will be kept up to date with new members.

3. JUDGES – SHOW AND GYMKHANA REQUIREMENTS:

Prize list must contain the names of the judges and stewards, who must have formally accepted invitations to officiate, and managers. In the event an announced judge or steward cannot officiate, a letter to that effect shall be obtained by the show management and submitted to the Prize List Secretary.

Class A and B shows must engage current Registered or Recorded NEHC judges who must be Registered or Recorded in the majority of the classes in which such judge will adjudicate or NEHC "1" Judges. Class C shows may either use the above method or a judge as explained in the next paragraph. A breed show may use a judge who is registered only in the official judges' roster of the particular breed.

Any show that is only affiliated with NHH&TA as a Class B or C show may engage a judge or steward from the NEHC Judges' List.

4. STEWARDS - SHOW AND GYMKHANA REQUIREMENTS:

All shows must have a NEHC Large S. Steward in attendance at all classes, except shows that have more than three rings will be allowed to use a Small S Steward. NEHC Small S. Stewards will be allowed to steward C shows. No Steward may officiate in any show in which any member of his family or any of his clients are judging or taking part as exhibitors. A report, in duplicate, on the official form supplied by the NHH&TA must be forwarded by the Steward to the Chairman of the Rules and Stewards Committee of the NHH&TA within seven days after the completion of the show. Duplicate copies will be sent to show management within two weeks. All gymkhanas are required to have an Official Timekeeper at each affiliated gymkhana. In classes requiring the use of obstacles, it shall be the duty of the Steward to check such obstacles for safety.

5. EVENT DATES – SHOWS: In the event that the two shows apply for the same date, it shall be given on the following basis:

- A. No two shows within 75 miles of each, other location to location, shall

be awarded conflicting dates, with the exception of a specialized show (See Par. 8).

- B. In the event that two shows located within 75 miles of each other apply for the same date, it shall be given to the show that has been affiliated with the NHH&TA for the longest time on that date. The previously affiliated show will take precedence with the exception of fair dates. Any show which has a date on a legal holiday must use the calendar date for that holiday.
- C. No dates shall be reserved for shows previously affiliated with the NHH&TA unless application has been filed and fees paid prior to February 1st. Failure to comply with this rule will leave the dates open for other applicants. No refund will be made of prepaid fees if dates are canceled after February 1st.
- D. A show or trail ride which has to cancel due to extraordinary circumstances (extreme weather, fire, etc.) will be allowed to reschedule based on availability

EVENT DATES – TRAIL RIDES: Two trail rides may not be held on the same day. Pleasure Trail Rides and Competitive Trail Rides may not be held on the same day. A previously affiliated trail ride will take precedence in date conflicts.

6. RULE CHANGES: All requests for NHH&TA rules changes must be submitted to the Chairman of the Rules and Stewards Committee in writing before December 1st. In the case of a dispute over the interpretation of rules, entries or awarding of points, complaints shall be referred to the Rules and Stewards Committee of the NHH&TA, the decision of which Committee shall be final.

7. MANAGEMENT REQUIREMENTS: It is incumbent upon the management of the show, gymkhana or trail ride to insist upon strict adherence to rules of NHH&TA and management is responsible for:

It shall also disqualify all events under such management from affiliation with the NHH&TA the following year.

In the event that a show appears to be running late, it shall be the duty of the Steward and the manager to re-arrange the remaining schedule. All Stake or Championship classes advertised in the prize list must be run before the above closing time. In the event that any class canceled due to this arrangement is a qualifying class for a Stake or Championship, all horses or riders whose entries are on record in these classes at the time of cancellation, shall be deemed to have been shown and judged in this class. All entry fees in canceled classes must be refunded. No points will be awarded in any class run in violation of this rule.

8. SHOW CLASSIFICATIONS: Each show affiliated with the NHH&TA shall qualify under one of the following classifications:

Class A. Shall have at least four divisions, each with two or more classes. Shall offer not less than \$1500 in cash with the exception of a specialized show. A minimum of six ribbons must be given in all cases, including performance championship classes but excepting breed championship classes. Where prize money is offered, it must be awarded in at least four places in all classes except breed championship classes.

Prize monies which count towards NHHTA Show Rating Requirements shall be offered in NHHTA recognized classes. All sub-divisions are considered as separate classes for all purposes including scoring purposes.

The management of any show shall have the right to cancel any class or combine similar classes that have less than three entries. EXCEPTIONS: Stake or championship classes and at least one qualifying class leading to that stake or championship class must be held regardless of number of entries. A specialized show (i.e., Junior, Hunter, Morgan, Palomino, Pony, etc.) may be affiliated, provided it conforms to all requirements herein applicable. The requirements for divisions or Classes may be altered if they are contrary to the customs of the breed concerned. The prize money provisions shall be as specified in the current NEHC Rule Book. The 75-mile rule (Par 5-A) will not apply, providing the other show requesting the same date is properly notified and is agreeable thereto.

9. SCORE CARDS: It shall be the duty of the management of each affiliated show to provide the judges with the prize list prior to the day of the show. It shall also be the duty of the management to supply the judge or judges with scoring cards for each class on which the specifications for the class are clearly printed.

10. PROTESTS: A protest by an exhibitor, agent, trainer, or the parent of a Junior exhibitor must be made in writing to the Protest Board (Rules and Stewards Committee) with a copy to the Secretary of the NHH&TA, the Secretary of the affiliated event, and if affiliated with NEHC, the Secretary of that organization, within 48 hours after the end of the event, accompanied by \$50.00, which will be returned to the protester if the protest is sustained.

Written protest shall state in detail full particulars concerning the matter under protest, naming all participating parties and witnesses. A written protest made by any show manager, show committee, ringmaster or judge, will be given consideration by the Protest Board without charge. The Protest Board has full authority to impose penalties. No show will accept entry fees or entries owned or ridden by any person barred from showing in N.H. or New England by the SPCA and the NHH&TA, New England Horsemen's Council or United States Equestrian.

A protest shall be considered by the Protest Board at a hearing held as quickly as possible and a decision rendered, but not more than 30 days after the protested event. A report of its findings shall be made by the Protest Board to interested parties, the Secretary of the NHH&TA and the Secretary of the NEHC. All protests must be signed.

No show manager, show steward, commercial underwriter or ringmaster, or any member of their families, may be an exhibitor at a show where he is officiating; or have exhibited for him any horse that he owns or in which he has been interested within a three months' period prior to the show; or serve in any other official capacity in connection with the show; or be near a relative to an exhibitor or show official (This paragraph does not apply to gymkhanas).

13. EVENT REPORT FORMS: The official report forms supplied by the NHH&TA. must be completely filled out, signed by the Secretary or manager of the show, gymkhana or trail ride and forwarded, together with a copy of the show program, to the Point Scoring Secretary of the NHH&TA within seven days of the last day of the event. Violation of this rule shall disqualify all events under this management from affiliation with the NHH&TA the following year.

14. ADDING/CHANGING CLASSES: No recognized classes may be added or changed after the prize list has been published unless the Prize List Secretary, all exhibitors and all members of NHH&TA are notified in writing or electronic communication (including e-mail, websites, facebook or other media) of such addition or change at least 14 days prior to the date of the show. No classes may be held more than thirty minutes in advance of the scheduled time.

15. NON POINT CLASSES: In addition to the following list of classes, each affiliated show may be at liberty to include such additional classes as shall be individually desired. All such additional classes shall show clearly on the prize list and program the limits of entry and the general basis for judging. No points will be awarded unless class is exactly the same as listed in rule book.

16. AMATEUR STATUS For purposes of the NHH&TA awards, an amateur is a person who exhibits, or has exhibited for him, his horse or horses particularly for the love of the sport, who does not deal in the exchange, sale or purchase of horses as a business, who receives no monetary consideration for riding, driving, exhibiting, or training horses or for instructing or training riders, and the members of whose immediate family are not so engaged.

In all classes which call for exhibits to be ridden or driven by the owner, the exhibitor shall be an amateur.

17. ATTIRE: Exhibitors in all classes shall be neatly and cleanly attired in costumes appropriate to the class in which they are exhibiting. The show officials shall exclude from the ring anyone they do not consider suitably attired.

18. PROTECTIVE HEAD GEAR: All juniors riding in hunter, jumper, and hunt seat equitation sections must wear protective head gear passing testing standards while riding in designated schooling and exercising areas, the show ring, and while jumping anywhere on the show grounds. Harnesses must be secured and properly fitted; exception: Trail and Pleasure Classes. Adult riders must wear hard hats while jumping anywhere on the show grounds.

19. NUMBERS: An Exhibitors' correct number must be visible to the judge.

20. WITHHOLDING OF AFFILIATION: No show, gymkhana or trail ride will be affiliated which has previously failed to fulfill the obligations to the NHH&TA as outlined in the Regulations.

21. PROOF OF REGISTRATION: In all classes open to registered animals only, the proper registered name and number must be listed on the entry blank, and owners must be prepared to produce registration papers.

22. DISCIPLINARY ACTION: If a show has been unable to collect fees from any exhibitor (owner, rider, trainer or agent) the Secretary of the show shall report the name and address of the exhibitor in writing to the NHH&TA within 15 days. On receipt of this notice the Secretary of the NHH&TA shall notify the exhibitor by certified mail of his/her indebtedness and warn him/her that unless settlement is made within seven days he/she will automatically be barred from taking any part whatsoever in its affiliated shows until settlement is made. No points will be awarded for that show or any subsequent show until all charges are paid. A second offense will automatically result in suspension. All affiliated shows will be notified. NHH&TA will support the USE and NEHC and/or any affiliated state organization in any disciplinary action against exhibitors which involve sportsmanship or the good conduct of shows or indebtedness and will extend these actions to all NHH&TA affiliated shows.

23. ENTRY AGREEMENT: An entry in an affiliated event shall constitute an agreement that the person making it, agent, driver, rider and horse shall be subject to the Bylaws and Rules of NHH&TA. The entry blank of each recognized event must contain the following certificate to be signed by the exhibitor or his representative;

"Every entry at a recognized event shall constitute an agreement that the person making it, owner, lessee, trainer, manager, agent, coach, driver, rider and the horse shall be subject to the constitution and the rules of NHH&TA and the local rules of the show. It shall further constitute that every horse, rider and/or driver is eligible as entered and that the owner and any of his representatives are bound by the constitution and rules of NHH&TA and the show (or trail ride), accept as final the decision of the hearing committee on any question arising under said rules and agree to hold the show (trail ride), NHH&TA, their officials, directors and employees harmless for any action taken."

Every exhibitor or his agent and/or trainer must sign an entry blank. FARM NAMES ARE ALLOWED, but must be signed by an authorized adult. In the event of his failure to do so his first entrance into the ring as an exhibitor shall be construed as his acceptance of the rules of the show involved and of the NHH&TA and shall ipso facto render him subject to said rules.

24. All horses entered in a class shall be of the type called for in that class.

25. In all classes except those in the Hunter, Jumper, and Trail Divisions, all horses shall be shown both ways of the ring at all gaits applicable to the class or division.

COMPETITIVE TRAIL RIDE DIVISION**

TRAIL RIDE SECTION RULES & REGULATIONS GENERAL TO THE TRAIL RIDE SECTION

AFFILIATION PROCEDURE:

All affiliated trail rides must begin and end in the State of New Hampshire. All trails shall be clearly marked. Pleasure Trail Rides and Competitive Trail Rides cannot be held on the same day. Affiliated trail rides are open to the general riding public; they are not restricted to NHH&TA members. However, rides shall attempt to conform with the NHH&TA policy of being open to any NHH&TA member who wishes to participate.

Any NH riding club, fair association, or other organization may sponsor a NHH&TA affiliated trail ride upon application to NHH&TA through the appropriate NHH&TA Trail Ride Secretary. To count toward participation, rides must be affiliated by date of the NHH&TA annual meeting. To count for mileage, rides must be affiliated at least 60 days prior to the date of the ride. Local Horse or Riding Clubs in NH who sponsor a trail ride are also encouraged to affiliate with NHH&TA at the club level.

DELEGATES: One delegate and an alternate from each NHH&TA affiliated riding club will be appointed to the Trail Ride Committee. In addition to running the annual NHH&TA Annual Trail Ride, they will be responsible for bringing to the Rules & Stewards Committee recommendations for any rules changes and/or additions to the Trail Ride Section based on requests of members of the riding clubs represented.

AFFILIATION FEE: A trail ride affiliation fee of Thirty Five (\$35.00) Dollars is due for each ride affiliated and is payable upon application to the NHH&TA Trail Ride Secretary. The sponsoring club may run one or several rides. All ride notices must state AFFILIATED WITH NHH&TA”.

REPORTING REQUIREMENTS: Within seven days after the ride, a complete list of all ride/drive participants, signed by the secretary of the sponsoring club or association or the Ride Manager, must be forwarded to the Secretary of the appropriate NHH&TA Trail Ride Division. An official report sheet for these purposes will be supplied by NHH&TA for each Pleasure Ride. Competitive Trail Rides may submit a copy of their ECTRA list to fulfill these requirements. An entry shall mean a horse and rider combination or in the case of a drive entry, a driver and horse or team of horses.

Cancellation of a Scheduled Ride: Cancellation notices for Pleasure Trail Rides must be mailed 10 days prior to the scheduled date of the ride/drive to all NHH&TA members on the official mailing list and any individuals having called for information on the ride. The NHH&TA Pleasure Trail Ride Secretary must be notified of the cancellation. Competitive Trail Ride Managers should follow ECTRA guidelines.

PARTICIPATION ELIGIBILITY:

Any person who is a member in good standing of NHH&TA, regardless of residence, and participates in and completes an organized trail ride which is affiliated and sponsored by an organized club, association or other organization, or NHH&TA, is eligible to receive credit towards the annual awards in the Trail Ride Division. These awards will be given out at the annual NHH&TA “Banquet of Champions”.

Although every effort is made to keep the mailing list updated, a member's name may not appear on this list unless his/her dues are paid by the Annual Meeting. If dues are paid after the Annual Meeting, a member may compete for credit toward the annual awards, and every attempt will be made to add his name to the mailing list.

A member will not begin to accrue award credits until membership in the NHH&TA becomes effective. Trail rides are not required to use the mailing list provided by NHH&TA and the list of rides published in the NHH&TA Rule Book is the only notice required of member clubs. Riders/ Drivers requiring further information should write or phone the club contact of each ride or drive.

CLUB MEMBER CREDITS - Pleasure Trail Ride managers may approve mileage and participation credit for their club members who work the day of their club ride, and who ride the trail either before or after the ride day. The actual trail and mileage for which the rider will receive credit must be completed. There is a "window" of 7 days before and 7 days after a ride for completion of this credit. The NHH&TA Trail Ride Committee Members may be included under this credit ruling where they are officially requested to assist a ride by the NHH&TA Trail Ride Committee Chairman.

PLEASURE TRAIL RIDE DIVISION

GENERAL:

There is no maximum or minimum mileage requirement. The suggested maximum is approximately 20 miles. Approximate mileage must be advertised and a definite mileage must be announced on the day of the ride. Two or more routes of varying mileage maybe offered if desired. All prescribed routes completed will count toward participation and mileage credit.

Riders who are accumulating credit for year end awards must present current NHH&TA membership cards to the ride secretary for each ride. The date of membership should be on each card.

SPECIFIC PARTICIPATION ELIGIBILITY:

In order to compete for mileage awards, the same horse must have been ridden/driven by the same rider/driver. Participation awards will accrue on the rider/driver only regardless of the horse ridden/driven. Horses, mules and ponies shall be equally eligible for annual awards. Youths 12 and under must be accompanied by an adult at all times and must be in control of their own mount. Animals on a lead will be prohibited; except riders may be led or assisted in a hazardous situation. Any forward motion should be made while the rider is mounted (or the driver is seated), otherwise the rider/driver will be penalized at the discretion of the ride committee.

An entry at a ride is limited to one horse per rider per day and only one person shall be mounted on a horse at a time.

A club may choose to run a "judged pleasure trail ride". Where rides are judged, rules for judging are discretionary, but must be published and be available for examination by riders. A guideline for clubs, if necessary, is

available through the NHH&TA Pleasure Trail Ride Secretary, by request.

No family member of any judged entry on a judged pleasure ride may accompany a judge on that ride. No judge shall adjudicate on any pleasure trail ride in which a member of his or her family is riding or driving or in which a horse that the judge presently or within the prior three months has been financially interested in, is being shown.

RULES OF CONDUCT:

1. Contestants shall be responsible for the manners of themselves and their mounts.
2. Ride or drive on the right hand side of the road.
3. Ask to pass on the left.
4. No tailgating.
5. No racing.

YEARLY PARTICIPATION AWARDS:

1. 100% of offered yearly rides
2. 70% of offered yearly rides.
3. 50% of offered yearly rides.

If there are 1 to 7 rides affiliated by 4/1 of the current season: 100% Participation only

If there are 8-12 rides affiliated by 4/1: 70% and 100% Participation awards

If there are 13 or more rides affiliated by 4/1; 50%, 70% and 100% Participation awards.

To count toward participation awards, rides must be affiliated by April 1st and subsequently held during the current season. Participants ridden or driven or a combination thereof, are eligible for credit towards year end participation awards.

A rider may only receive participation credit for one animal on a single or a multiple day ride. The rider receives only one credit for participating in several days on multiple day rides; likewise, if a rider participates only one day of a multiple day ride, he still receives a participation credit.

CUMULATIVE MILEAGE AWARDS:

Mileage awards (cumulative) will be kept separately for ridden and driven miles. Cumulative mileage awards are to be given to the horse and rider/driver combination reaching levels of 250 miles, 500 miles, 750 miles, 1,000 miles, etc. Mileage credit will be given as completed by a sound animal. One member of the club ride/drive committee and one member of the NHH&TA Ride Committee will make the final decision on the unsound or unfit animal.

To count for mileage awards, rides must be affiliated at least 60 days prior to the date of the ride. A rider/driver may only receive mileage credit for one animal on each day of a ride. Mileage credit may be received on a different animal on each day of a multiple day ride with prior approval of the individual ride committee and providing that proper, competent, adult supervision is provided for the extra animal if left on the

grounds. Riders/drivers accumulate mileage on a same horse, same rider basis. Mileage may be accumulated from year to year as long as the same rider rides/drives the same horse. When a rider/driver changes horses, mileage will accrue separately on the new combination. Riders/drivers may accumulate mileage on more than one horse during the year, but each record is kept separate.

COMPETITIVE TRAIL RIDE DIVISION

GENERAL:

Competitive trail rides shall be organized under and subject to Rules and Regulations as set forth by the Eastern Competitive Trail Ride Association (ECTRA). NHH&TA members wishing to participate in this Division should acquaint themselves with ECTRA rules by contacting ECTRA, P0 Box 738, Kent, CT 06757.

Participation in Competitive Trail rides, unlike Pleasure Trail rides, is by application only. Application must be made well in advance of the scheduled ride. NHH&TA members wishing to participate should contact the Ride Manager listed in the Calendar of Events as soon as possible for an application form.

Rules specific to NHH&TA rides may be made as necessity dictates, but only within the framework of proven policies set forth by ECTRA. However, ride management shall attempt to conform with the NHH&TA policy of being open to any NHH&TA member who wishes to participate. Points accrued from participation in a competitive trail ride are awarded to the mount rather than the rider. A horse, to be eligible for awards, must be ridden by a NHH&TA member and must be owned or leased by a NHH&TA member. Should the horse be sold or transferred, accrued points may not be transferred to another animal, but go with the horse to his new owner or lessor. In the event of such a transfer during the ride season, proper documentation must be filed with the Secretary of the Competitive Trail Ride Divisional the time of transfer.

SPECIFIC PARTICIPATION ELIGIBILITY

NHH&TA members who plan to participate in this division and who wish to be eligible for end of year awards must so declare their intent prior to participating in their first competitive trail ride. This Declaration of Intent will be mailed to the Secretary of the Competitive Trail Ride Division and will include: Rider's Name (as listed in their NHH&TA membership); rider's complete mailing address and telephone number and the full name of the horse(s) to be used. Riders must consistently use the same names for themselves and their horses on each ride. Nicknames or barn names should not be used when signing up for a ride.

In order to compete for the annual awards the same horse must have been ridden in and completed over 50% of the season's affiliated competitive trail rides. In the event of back to back competitive rides, riders need only participate in one of the affiliated rides. If both days are ridden, the higher scoring day will be counted toward year end awards. However, riders still must meet the 50% participation rule for award eligibility.

A list of names of NHH&TA members who plan to participate in the Competitive Trail Division will be sent to each Competitive Trail Ride Manager. These names will be used to determine the NHH&TA High Point Award at the end of each Competitive Trail Ride. This award will be provided to each ride manager by the Competitive Trail Ride Secretary and may be awarded at the Ride Manager's discretion. The Ride Manager will return unused awards.

END OF YEAR AWARDS:

Year end awards will be presented in this division if there are 3 or more rides offered during the ride season. Information on declared participants will be kept in a cumulative manner during the ride season. Upon receipt of the final competitive ride results, end of year award placings will be derived from current ECTRA guidelines and will be based on overall ride placing and number of miles ridden. Names of actual participants will be cross referenced by the Secretary of the Competitive Trail Division with the list of NHH&TA declared participants. The Secretary of the Competitive Trail Ride Division will verify accuracy of final ride placings with ECTRA.

Year end Awards based on points accumulated will be give in each of the following divisions:

A. High Point Horse (Champion and Reserve) ridden by an Adult

B. High Point Horse (Champion and Reserve) ridden by a Junior
Note: Cumulative miles for Competitive Trail riders will not be kept by NHH&TA. Riders are encouraged to join ECTRA for their cumulative mileage program.
